**MORRIS KOOP, PRESIDENT, AND
IVAN BOYER, SECRETARY, ARE
CHOICES OF NEW BOARD.**

J. H. Kelley was unanimously elected temporary chairman, and immediately proceeded to the business of the evening. Nominations were called for to fill the seven places on the board, which produced a list of some twenty-three aspiring and hopeful candidates. Each member was provided with a ballot and the race was on. The counting of the votes by the tally clerks was followed by all with great interest, and after the result was announced the unsuccessful candidates came in for their full share of joshing. Those elected were: J. H. New, Morris Koop, Ivan Boyer, Sam Maffei, E. Vanomen, Ernie Langenbach and J. A. Riordan. Following their election the board held their first meeting and perfected their organization. Morris Koop was elected president and Ivan Boyer secretary and treasurer. The new officers are going ahead enthusiastically and great things are expected for the future.

The Knights of Columbus of San Mateo county, under the leadership of E. J. Tobin, are planning on a grand fiesta at Menlo Park on Friday and Saturday nights of June 21 and 22. The affair is to be held for the benefit of the Knights of Columbus war activities. One of the most noteworthy features planned is the nightly dancing on Santa Cruz avenue, the newly paved street of Menlo Park. Gayly decorated booths at which light refreshments will be sold will be presided over by young ladies of the county. The soldiers at Camp Fremont, who have been the beneficiaries in the camp and also at the Knights of Columbus building at San Mateo, are expressing great interest in the festivity. Judging from the plans, the fiesta should be the biggest affair of the year in San Mateo county.

Somewhere across the infested sea,
Serving the cause of liberty,
Dear Lord, is my brave son.
I know not how he fares to-night,
But keep him ever in Thy sight,
For I have but the one!

Thou gavest 'two to bless my life,
But one fell early in the strife—
My first-begotten son!
He with his comrades marched away,
And then a message came one day—
Dear Lord, I have but one!

Then, while so sorrowed and bereft,
Though only he to me was left,
I could not say him nay,
Who urged that duty bade him go—
His country called, he said, and so
How could I bid him stay?

But, oh, dear Lord, 'tis hard to bear,
With not another child to share
The hearth when day is done'
I can but kneel to Thee and pray:
Be with him through the hellish fray
And keep Thou safe my son!

I know the cause is good and true—
I know that suffering must ensue
Before the fight is won.
Yet bear with me, O Lord, this night;
Be Thou my solace in my plight
And guard my only son!

**BUT N. A. BECKER SAYS IT IS GO-
ING TO INCREASE THE OUTPUT
CONSIDERABLY.**

Speculation is rife and wagers have been laid as to whether or not N. A. Becker, works manager of the Pacific Coast Steel Mill, can put through the job of installing the new heating furnace in the specified time.

It's a man's job on which the work began on Friday, June 7. The usual time allowed for building such a furnace is forty-five days, but the job will be put through in two weeks, is the claim made by Becker.

The stack for the furnace will be one of the largest in California. It is to be eight feet in diameter and will go up in the air 150 feet. Thirty-five thousand bricks are required in this construction, and a force of nineteen bricklayers is on the job night and day laying brick for furnace and stack...

The work will cost \$18,700. On Wednesday next another large stack will commence to rear itself in the open hearth. According to Becker, this will be fifteen feet higher than the one now under construction, which means that it will reach 185 feet when completed.

really interests, were appointed a Cunningham, representative of the committee of three to confer with the Real Estate Board, and to formulate plans for the entertainment of the visitors.

The proposed building of a barracks on San Bruno road, adjoining the Armour Hotel, to be used for housing workmen, came up for discussion, and a committee, consisting of Dr. F. S. Dolley, Dr. J. C. McGovern and D. E. Curley, was selected to wait upon the owners of the property and sponsors of the building and encourage the erection of a better class of structure which will meet the legal requirements governing the erection of lodging-houses and hotels.

To facilitate the work of the postal inspector who will investigate the consolidation of the South San Francisco postoffice with San Francisco, a committee will confer with W. H. Coffinberry.

Mr. Coffinberry made a thorough investigation of the three plans of operation of postoffices sanctioned by the government, and some specific requirements of the community will be placed before the postal inspector upon his arrival. F. A. Cunningham, Dr. F. S. Dolley and D. E. Curley will act upon the postal committee.

Dr. J. C. McGovern revived the band question and the alleged moral obligation of the city to in some way compensate Professor Cappelli for the calls which were being made upon him from time to time. The suggestion was made that some co-ordination with the band now being formed at the shipyard might be worked out.

The protest of N. A. Becker against the Chamber taking any action met with considerable support, and it was decided that the Chamber would take no further interest or action in providing funds for Cappelli.

Ambrose McSweeney was delegated to arrange for the securing of a service pole, to be installed on a prominent corner. The lumber was donated by W. H. Dinning and J. O. Snyder will supply gratis the labor necessary for its construction.

F. A. Cunningham and Dr. J. C. McGovern will get figures on the cost of a city service flag, to be displayed in some conspicuous window.

The Enterprise has compiled a record of the South San Francisco boys who are serving the colors, and this record will be put in permanent form on the proposed flag.

The next meeting of the Chamber of Commerce will be held on Tuesday, June 25.

STEEL WORKERS ARRANGE BIG PATRIOTIC MASS MEETING AT ROYAL THEATRE.

The speaker of the evening will be Charles P. Howard, who comes from the Speakers' Bureau of the United States Department of Labor.

M. J. McGuire, business agent of the San Francisco Boilermakers' Union, who has an established reputation for the forcefulness of his addresses, will speak from the same platform, as will also John A. O'Connell, secretary of the State Labor Council of San Francisco.

Music for the evening will be under the leadership of Professor Cappelli, and it is expected that the combination of speakers will pack the theatre auditorium to overflowing.

clear of voice and with confidence that became a marvel to the audience as he swung into his subject, young Scampini, without falter or hesitation, delivered a patriotic oration worthy of the brains and ability of a finished orator. It was a most creditable rendition of a subject which touched deeply the hearts of his hearers, and bursts of applause interspersed themselves throughout its delivery.

The address was logical, finished and a distinct tribute not alone to its deliverer, but to the corps of instructors who have guided the studies of the student for the past four years.

South San Francisco last night swelled with justifiable pride at this able son and his educators.

Following a well-received vocal selection by Miss Ruth Crandall and an address by Roy W. Cloud, County Superintendent of Schools, in which he spoke in glowing terms of the graduating class and the splendid educational advancement of the city in the past eight years, Claire E. Forster delivered the valedictory address, "Opportunity." Selecting as her theme the opportunities offered each of the Nation of one hundred million to further the war of freedom and expedite the coming of a victorious peace, she concluded the valedictory address with the statement of the full realization the graduating class had of their responsibilities and the seriousness of the work which lay before them.

Prof. Geo. E. Britton spoke briefly and in complimentary term expressed his admiration for the class which had completed its four years under his guidance.

To the applause of the audience each graduate accepted a diploma from the hand of E. N. Brown, chairman of the Board of School Trustees, and the graduating exercises were concluded with several vocal selections by Miss Crandall.

Japanese which swept the country and which is still inducing ultra-fashionable women to wear "pagoda hats" and carry elaborate Japanese bags, has been brought into play by clever Beulah Marie Dix, author of "The Call of the East," in which Sessue Hayakawa, the famous Japanese actor, is starring at the Royal Theatre on Tuesday.

Aside from the remarkable dramatic value of the production, there are included in it scenes of such true Oriental splendor and costumes of such gorgeousness that the picture for its

Dr. Flanagan Is Dead

Dr. Leo Flanagan is dead, and his young wife, with broken heart, sits at the bier of her best beloved inconsolable, caressing the hair and hands and eyes of her life partner cut off in the bloom of his young manhood.

He died at the institution which was most dear to him—St. Mary's Hospital, where what portended to be a bright career had its commencement. The tender care of the sweet sisters who loved and ministered to him during his brief illness, the prayers of a devoted wife and loving mother, the efforts of his brother physicians who strove to save him for humanity were unavailing, and he passed to his heavenly home and rest on Tuesday night. God, who saw fit to take him from this earth, knows how he will be mourned in the community where he had ministered to its ills.

Dr. Leo Flanagan left boundless wealth; the priceless pearls of the tears of his young wife, the golden friendship of a host of men and women, an argosy of gratitude in the hearts of those he charitably assuaged in pain and the unlimited store of love in the soul of a mother.

We shall miss him.

Local Obstructors

Rumor is rampant and tales are constantly reaching us of members of this community, some of them more or less prominent, who are not wholly in accord with the war, in that it is their belief—and it is only a belief based on an erroneous hypothesis—that they should not be in sympathy with or help the allied cause because of the ancient enmity of their country and one of the participants in the great struggle against German autocracy.

We have no desire to attempt to argue international politics with these people if they really exist, as persistent rumor would indicate. But these men are Christians and believers in Christ, His teachings and precepts.

And so we ask them: Suppose Jesus Christ had been walking in Belgium when the Hun army broke across the border, and had seen soldiers plunge their bayonets through innocent children; had seen women and young girls treated as only beasts are capable of treating them; had seen the aged and infirm shot down without mercy and without provocation; had seen soldiers captured in what they supposed to be honorable warfare, crucified by their captors; had seen aviators deliberately search out hospitals and nurses' quarters for bombing—had He seen all this, would He have stood by unmoved and refused to lift His hand to right these dastardly wrongs? This is a war of humanity—not politics.

If that German drive on the western front was a defensive—and the Kaiser insists his war is a defensive one—we should not like to witness a German offensive.

A life for every foot of ground is what Germany is paying for territory gained. But she probably thinks that lives can be produced, while there is only so much territory.

The Kaiser's partnership with Gott on the western front is rather distracting his mind from the alliance with Mahomet on the eastern line.

"Now is the time to begin keeping your chickens penned up," remarks an exchange. The impressionable bachelor cynically retorts that there's catching before penning.

Hearst will be a candidate for Governor of New York against Whitman. It now becomes proper to advance those references to a choice of evils.

Iris and June brides. Quite the loveliest things in the world, and all blooming this month.

The Allies are past masters in the art of retreating in good order. When they advance it will be in still better order.

Should the German language be taught and studied in America? Perhaps not just now, but one of these days "kultur" and "spurious versenkt" and "schrecklichkeit" will be blotted out of it, and it will take its place among the world languages again.

President Wilson's address to Congress concerning the revenue tax sounded well to the ears of all except the profiteers.

A story wrote

Of Irish couple

Who had two pictures

In their parlor;

One was King William,

The other the Pope.

One night the husband

Spent his pay

In friendly saloon;

When he came home

He smashed the picture

Of King William.

The next day his wife

Sold the picture

Of the Pope,

To buy another picture

Of her king.

I was reminded

Of the story

When N. A. Becker

Went into shop

Run by Red Cross women,

Where there was hanging

A coat and vest

His wife had given

To be sold.

It belonged to Becker.

He bought it back

For five dollars.

Then bundled up

Some nice dresses

Belonging to his wife

And donated them

For Red Cross sale.

I know the women

Their own things;

But if the men

RED CROSS SHOP BUSINESS BOOMS

MORE THAN \$250 ALREADY DEPOSITED IN LOCAL BANK AS RESULT OF SALES.

Mrs. Frank E. Whittemore was elected chairman of the South San Francisco branch of the Red Cross and Mrs. Ralph Fontaine secretary and treasurer, at the election held at the workrooms at the High School on Tuesday evening.

The storekeeper as an elective office will probably be abolished, the chairman selecting co-workers to carry out this important branch of the work. Mrs. Maynard has been serving in this capacity since the organization of the local branch.

Shop Is Busy

Business is booming at the Red Cross shop, and already more than \$250 have been deposited in the bank as a result of the efforts of the efficient and enthusiastic work of the women who are giving time, thought and energy to its advancement.

The shop is a pattern of cleanliness, overflowing with dainty mules to relieve the monotony of the more somber women's garments and men's clothing.

Baby clothes are most in demand and it is difficult to keep the supply up to meet the many calls made for fluffies for the little ones.

Mrs. Watters has acted as charioteer, muleteer and envoy extraordinary to the mules and dray donated by the steel mill, and has accumulated donations which have overflowed the warehouse loaned by the Pacific Gas and Electric Company. Each trip the Red Cross mule-power jitney bus has come back loaded as a result of Mrs. Watters beating up and down the highways and byways accumulating material. On Thursday seven soldiers assisted Mrs. Walker, Mrs. Davidson and Mrs. Watters to bundle up the accumulation of waste newspapers, which means the sound of money jingling into the cash box, for several sales have already been made.

Lunch was served the boys at the home of Mrs. Watters, and they took the whole matter as a jolly lark.

C. E. CARLSON AND FAMILY ENJOYING PORTLAND TRIP

C. E. Carlson and family are on a three-week visit to Portland, and according to news received here are having a most enjoyable time. Carlson was president of the steel workers' union preceding the election of the popular Ben Tatum.

SOUTH S. F. BABIES IN 100 PCT. CLASS

Seventy-eight babies passing under the critical eye of Dr. F. S. Dolley, have been taped, scaled and examined for defects. Out of this examination seven have come with flying colors and are in the 100 per cent class.

They are Nell Coffinberry, Irma Galli, Margaret Coward, Thomas Ramsdell, Elizabeth Dolley, Robert Langenbach and George Schurk. To say the parents of these babies are proud would be putting it mildly.

The registration is less than half done, and Mrs. E. P. Kauffmann is working assiduously to bring to the parents the importance of fulfilling the desires of the Government in this work, which is for the vital welfare of the little ones.

Dr. Dolley will give his services gratis to the examination and the parents are urged to bring their babies to his office for registration between the hours of 10 and 12 a. m.

VACATION PERIOD SET FOR RED CROSS WORKERS

It has been suggested by the national headquarters of the American Red Cross Society that all chapters and auxiliaries shut down for a vacation period of a few weeks, and the recommendation has been made that all captains put this into effect at once.

The above is a communication received by Mrs. Clifford, chairman of the South San Francisco Auxiliary, who has ordered all meetings suspended until July 8. This is done to co-operate with the national headquarters, so that the workers will be in better shape to handle the situation.

The local workers can secure their aprons by calling at the High School work rooms next Tuesday morning at 10 o'clock.

WOMEN'S DEFENSE COUNCIL TO MEET HERE MONDAY

Mrs. E. P. Kauffmann, sub-chairman of subdivision No. 2 of the Women's County Council of Defense, has called a meeting for the general public and particularly the local chairmen of the various departments, who are Mrs. F. S. Dolley, chairman food administration; Mrs. Brady Wolfe, registration of women; Mrs. W. J. Martin, home and allied relief; Mrs. Fred Cunningham, Americanization; Mrs. E. C. Peck, thrift stamp and Liberty Loan; Mrs. J. H. Ditton, public health; Mrs. Dean Standley, safeguarding moral and spiritual forces; Mrs. Carle Coffinberry, information and library service.

The meeting will be held in the Library building on Monday afternoon at 2 o'clock.

SCHOOL ACTIVITIES

A number of social events have marked the close of the school year, not the least of which were several pretty parties given by lower grade students in honor of their teachers.

The seventh grade pupils surprised Miss Cecilia Farrell on Tuesday evening with a most enjoyable party at the home of Mrs. Bohn on Miller avenue.

Refreshments were served and games enjoyed at the Ditton home on Grand avenue when the fifth grade students arranged a party in honor of Miss Vivian Mulcahy, their teacher.

On Wednesday Miss Sylvia Doak was elected president for the coming year of the new Freshman class. Following the election a dainty luncheon was served.

On Thursday morning Miss Dorothy, kindergarten teacher, entertained the little tots, who gave exhibition drills to the great pleasure of the mothers who attended.

CLASS OF '18 GUESTS AT ORPHEUM THEATRE

Of the many social events planned for the graduating class of '18, one of the most enjoyable was the theatre party arranged by Mrs. Ambrose McSweeney on Saturday last.

Chaperoned by their hostess, the nine young people motored to San Francisco, where a most pleasurable evening was spent at the Orpheum Theatre. A dainty supper was served at the McSweeney home upon their return to South San Francisco, and the party was a fruitful subject of conversation and pleasure for several days among those who enjoyed Mrs. McSweeney's hospitality.

MORE THAN HALF A BILLION LETTERS MAILED FROM FRONT

More than 500,000,000 letters have been written by soldiers on Y. M. C. A. Red Triangle stationery to their homes. Here is what one soldier wrote: "Mother dear, you would not know me if you saw me now. I haven't washed for five days and am covered with mud from head to foot, and am writing this in a hole about three feet in diameter and four feet deep, with plenty of straw and a horse blanket to cover me, and a couple of green window shutters for a roof. The paper was supplied me by a Y. M. C. A. secretary, who brought it to us with the shells bursting all about him, but he knew we wanted to write home and let our folks know that we were safe." It is estimated that a million letters are being written home by soldiers every day.

WOMAN'S DEFENSE COUNCIL TO MEET IN SAN MATEO

The regular meeting of the San Mateo County Women's Committee of the National and State Councils of Defense will be held at the City Hall in San Mateo on June 18 at 2 p. m.

Mrs. Arthur Steele and baby have returned from the East. Mrs. Steele is making her home with Mrs. A. B. Savage, her mother.

The Folger family have moved to theickey cottage, formerly occupied by Dr. and Mrs. Flanagan.

Miss Mabel Golding was a visitor in this city on Wednesday.

CLASS DAY

Class Day was celebrated Wednesday by the High School, and commenced with the Senior luncheon, given by the lower classmen in honor of the outgoing Seniors. The table was decorated with the class colors, gold and white, and after the luncheon toasts were given by various members of the faculty and student body. Then the school started out on the class programme and made the rounds of the building, each one of the Seniors making a farewell speech to one of his classrooms.

After the pilgrimage the school sojourned to the assembly hall, where three of the Seniors, Mary Kauffmann, James Smith and Angelo Scampini, gave a little play, "A Frat Situation."

REQUIEM MASS.

SOUTH S. F. BOY KILLED IN ACTION

The first of South San Francisco's sons has offered his life on the altar of liberty.

According to news received here, Angelo Monettini was killed in action on the Flanders front. No details of the time, place or particular action in which he was engaged are yet available.

Monettini made his home while here with his sister on Linden avenue.

THRIFT STAMP MEETING TO BE HELD FRIDAY EVE.

To make good South San Francisco's pledge of \$200,000 in war saving stamp sales before December 31, Thomas Wiseman, chairman of the San Mateo County Thrift Stamp Sales Committee, has appointed the following committee in South San Francisco:

Geo. E. Britton, Geo. W. Holston, S. Neri, W. J. Smith, Clyde Conrad, J. W. Coleberd, Dr. F. S. Dolley, A. P. Scott, Dr. J. C. McGovern, George Kneese, F. A. Cunningham and B. Truax.

distinction of leading his class upon graduation.

Following his graduation, his services as house physician were immediately secured by the sisters of St. Mary's Hospital at San Francisco. He later did brilliant work in the Emergency Hospital service at San Francisco, from where he transferred to his practice at South San Francisco.

Mrs. Flanagan is one of the guiding hands of the Girls' Patriotic League here and the members of the organization expressed deepest sympathy with their friend and co-worker in her bereavement. Formal expressions of condolence will be passed at their next meeting on Tuesday night.

Besides his widow Dr. Flanagan is survived by his mother, Catherine; five brothers, Edward, Ignatius, John, Richard and Louis, and a sister, Mary Flanagan.

TODAY IS FLAG DAY

The Nation today celebrates the birth of "Old Glory." This is the one hundred and forty-fifth anniversary of the Stars and Stripes, which is for the first time in its history floating over American soldiers on foreign soil.

Today America does reverence to the forty-eight stars in the field of blue and salutes the emblem of freedom, which has never been carried at the head of an army of invasion, aggression or conquest.

Deep reverence, patriotism and respect animates the heart of every American today when, side by side with service flags, it will float from masts and flag staffs and be displayed in hundreds of thousands of homes throughout the Nation.

In decorating, the flag should never be draped or festooned. Always hang flat. If hung with stripes horizontal, the Union should always be in upper left-hand corner. If hung perpendicularly, the Union should be at the right.

The flag should be raised at sunrise and lowered at sunset.

When the "Star-Spangled Banner" is sung or played, applause at the conclusion is out of place.

Wake Up!—Own your own home. You can buy it like rent. Only \$300 down, 7% interest; \$1050 buys a 3-room, plastered bungalow. See L. M. Hawkins, San Bruno, or telephone San Bruno 129. Advt.

authorities, who have a full realization of the seriousness of the situation, and avers that the military authorities have found it necessary to bring the "speed bugs" to the more distant courts of the county to have penalties imposed which would tend to minimize the hazards of the highways. Three soldiers in uniform have been killed by reckless drivers in the last six months, is the claim made by the District Attorney. Swart further denounces the allegation that he is opposed to the sale of thrift stamps, pointing to his activities among the school boys and girls to encourage saving and investment in war certificates.

WILLIAM J. SMITH SEEKS OFFICE AS PEACE JUSTICE

The City Clerk will make the race for Justice of the Peace of the First Township.

In recognition of his efficiency in office, Smith was re-elected to the City Clerkship by a big majority at the recent municipal election. He is well and favorably known throughout the county, and should prove a big contender for the nomination for the office of Justice of the Peace at the primaries on August 27.

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, 75c.
